

PEACHES!!! PEACHES!!! PEACHES!!!

WOOHOO and WOW!! It's (again) time for those amazing, juicy peaches ordered directly from C & R Orchard in Palisade, CO on the Western Slope. Instead of 'enduring' peaches from the store that ripen en route, why not truly enjoy an awesome peach that is tree-ripened, picked, boxed, and immediately delivered. If you love a great peach, look no further! According to the orchard, they expect an excellent crop again this year! This is an annual fundraiser organized by our fellow agent, Lars Gronhagen, on behalf of ERA Shields Real Estate, for the benefit of the Muscular Dystrophy Association (MDA). Funds raised go to MDA for the purpose of sending MDA clients (young and teenage) to the annual MDA Muscle Camp held up in Empire, CO. The camp gives the clients (ages vary from year-year) a chance to relax and have fun for a week while giving their family and caregivers a much-needed and well-deserved break.

You will probably get peaches during the summer, so why not support a great organization at the same time. Have you tried these peaches? They give 'juicy' a whole new meaning! Tell your clients, family, friends, and neighbors.
